

# TRUTH OR TRADITION

*Recorded in the studios of God's Learning Channel, this DVD is the most shocking, eye-opening DVD you will ever watch concerning the cherished traditions of Christianity.*

If you don't believe in God, you won't watch it because you won't care.  
If you are religious, you won't watch it because you are not drawn to the Truth.  
**BUT**, if you are a real believer in Jesus the Messiah, have a real relationship with Him and have made a commitment to follow His Truth no matter the cost, then the mere thought of not knowing the truth, the whole truth, and nothing but the truth will drive you to watch this DVD.

You **WILL** be shocked. You **WILL** get mad. But, you **WILL** learn the **TRUTH** like you never have before. Do **NOT** assume you already know what it's about, and **DO NOT WATCH THIS DVD** unless you want to be responsible and accountable for the **TRUTH**. But, remember, the Truth can only do one thing...Set you **FREE!**

### About the Speaker:

Jim Staley is the director of Passion for Truth Ministries as well as the director for 'The Final Return Conference,' a national conference hosted throughout the country. He is one of America's newest and freshest Hebraic teachers and brings an articulate, entertaining, Spirit-led, down-to-earth style to his teaching. For years, Jim was an evangelical Christian apologist in his area, teaching Christians defense of the Bible, evangelism techniques, and Bible study classes in his local congregation. He then had a supernatural experience that led him to begin to understand the Bible through the Hebraic mindset. Seven years later, he has dedicated his life to teaching others the same amazing, life-changing Truths that have transformed him and his family. Jim can be seen weekly on God's Learning Channel, has been featured on Sky Angel Network, and his teachings and messages can be heard on several radio stations around the country. Jim is also the pastor/shepherd of a local congregation in St. Charles, Missouri with his wife Cheryl and his five daughters. His teachings are sent out by the thousands each year all around the world to as far away as Finland, Switzerland, South Korea, Africa, and Australia. Jim's desire is to help believers everywhere draw closer to the Father by understanding the Truth of the scriptures from their original Hebraic perspective and to apply them in faith for today.
